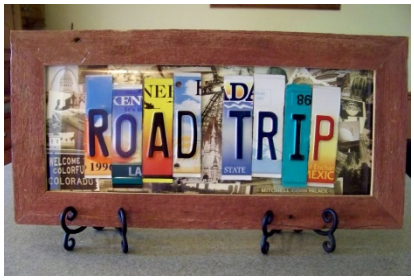
Road Trip Project



Summer is quickly approaching and your family has decided to go on a road trip. You have been tasked with planning a trip within the Continental United States. They want to see exciting spots, landmarks, taste some good food and create some good memories as a family.

Your Job:

As the family's personal travel agent, you have been asked to create an itinerary (trip plan) to highlight interesting destinations and characteristics of selected states that the family might enjoy together this summer.

Your family:

For sake of this project you are allowed to have 0-2 of your classmates (so no more than 3 per group) as part of your family.
